Product codes assigned to each garment

Description of garment type

No. of garments GRG has received from the customer

Adjustment is a delivered replacement for a garment that has been rejected

No. of garments returning to customer

No. of garments CRG have holding from previous wash or repair

The no. of garments that have gone out of the 'garments received' for a repair or rewash

The total no. of garments that have been rejected from the 'garments received'. A value other than '0' will only ever appear if the customer owns the garment. It will then be sent back to them.
